RESCHEDULED TO SEPTEMBER 24 & 25, 2020.

As a result of the rapid COVID-19 spread that has occurred within the last 24hrs., the Automotive Conference and Expo has been rescheduled to September 24 & 25, 2020. We are taking this important step to help protect our attendees, exhibitors and all participants. We have already been in communication with many of our speakers and venue partners and are confident that the new dates will make for a successful event.

The Automotive Conference and Expo remains an integral event in the automotive industry and we will continue to do our part in ensuring a positive and successful experience for everybody involved.

Thank you for your understanding and support.
